My personal skills and qualities:

I am an extremely motivated individual who enjoys new challenges. I consider myself to be outgoing, friendly and compassionate; attributes which have helped me immensely, especially when working with new people. I believe that I am emotionally intelligent and have good communication and leadership skills which enable me to get the best out of the students I teach. I possess a drive to continually improve, not only myself, but the work I partake in. I have a good sense of humour and the ability to appreciate and enjoy life to the full. I was selected to be a course representative, whilst studying for my PGCE; a role which I take very seriously and which enables me to display my strong leadership qualities.

My other interests and hobbies:

During my spare time I enjoy relaxing and going out with family and friends. I also enjoy going to the gym and keeping myself fit. Playing and coaching sports is a very significant part of my life, and has been since my early teens; this is something that I am very passionate about. Living in California for 3 years, coaching football was a big highlight for me. Furthermore, I have a keen interest in travel and have visited several countries within Europe, including France, Italy and Spain.
