Always willing to learn and improve knowledge and practice</li><li>Strong behaviour management</li></ul>

## My personal skills and qualities:

I am an approachable, friendly, hardworking and driven person. Since finishing my degree, I have directed all of my working experiences to improving my interpersonal skills with young people and preparing for a career in teaching. The skills and qualities I have gained from my 3 years of work in a high school have been invaluable; teamwork, reliance, time management and prioritising, to name a few. The experiences acquired during this time showed me how rewarding working with young people can be; this has been reinforced during my teacher training year. I am always looking to learn and improve in order to give the students in my classes the best chance to progress. Having led a number of different clubs, I fully acknowledge the importance of extra-curricular sport within schools and would want to develop this during my NQT year.

## My other interests and hobbies:

I enjoy playing all sports. If I am not in the gym or playing football, I enjoy spending time walking my 2 dogs; Lola the Pug and Poppy the German Shepherd. A goal of mine and my girlfriend is to fill a passport with stamps from different countries; as a result I try to travel as much as I can. I also currently run a local youth club.

## Preferred location:

North East, Yorkshire or Cheshire
