### My personal skills and qualities:

I am a positive, proactive and enthusiastic individual who is passionate about PE and extra-curricular sport. I consider effective planning and prompt lesson starts important to ensure maximum opportunities for pupils to make progress; I always plan well in advance and organise equipment and resources prior to lessons. I am adaptable and inclusive, and ensure lessons are tailored to meet pupils' needs. I am a driven, confident and resilient individual with a range of experience in schools. I can work efficiently as an individual and as part of a team and have strong communication skills. I always meet deadlines and am able to prioritise my work. I am a reflective practitioner and strive to be the best I can be and am keen to continually develop my practice.

### My other interests and hobbies:

I am an all-round sports enthusiast. As a dedicated dancer from age 4, I have been involved in a range of different opportunities, including county competitions, traction rallies, West End performances and university competitions. Whilst at university I was the choreographer for the tap competition team and organised events such as termly shows and fundraising events for charity. I am also a keen netballer, currently playing for the university team, and a regular gym activist. Beyond sport I enjoy spending time with my family and travelling. In summer 2018 I volunteered in Fiji for a month, to increase the funding available for resources in schools. Volunteering and indulging myself in unfamiliar environments and cultures has increased my ability to adapt to situations effectively, increasing my passion and drive to travel and make a difference.

<b>Preferred location:</b>	North East / North Yorkshire
