The strengths I have within my teaching:

Core Subjects	Physical Education	Other
<ul style="list-style-type: none">I have significantly developed my core subject knowledge through observation and teaching across KS1 and KS2, working alongside subject specialists and attending a range of CPD courses including: Talk for Writing; Read, Write, Inc.; Mastery Maths and NUSTEM Science.I have worked hard to ensure that my subject knowledge is at a high level for all areas of English, Maths and Science. This has given me confidence and allowed me to be creative in lessons and provide challenge and support to all children.	<ul style="list-style-type: none">Due to my own sporting background I have strong subject knowledge in a range of sports, including athletics, football, cross country, biathlons and netball. I have always had an interest in swimming and was part of a competitive club from the age of 10 to 17 and more recently have taught children aged 3 to 14.I am confident in my ability to deliver high quality PE lessons where I am able to adapt and differentiate throughout.Throughout my first placement I had to adapt to active classroom lessons and now have a large repertoire of indoor games and activities that get children moving.NGB 8 Teachers Courses: Safeguarding Children in Sport, Level 2 Certificate in Coaching Multi-Skills Development in Sport, Sainsbury's Inclusive Practice in PE, TOP Sport, Real PE, Real Gym, EN Bee Netball, FA Primary Teachers Award, RFU Kids First Tag (Pending), ECB Primary Teachers Award (Pending), LTA Primary Teachers Award (Pending).	<ul style="list-style-type: none">During my first placement I was able to observe outstanding teaching in Computing, Geography, History and PSHE, and had the opportunity to teach History and PSHE. Having a School Based Tutor who was also the PSHE Lead gave me a much deeper understanding of the subject and how to incorporate it into the curriculum.I have attended Art and Design and Geography CPD courses that have broadened my knowledge around the planning, delivery and assessment of these subjects.I have completed a vast amount of online University modules and NASBTT Learn courses to develop my knowledge in a range of areas, these include: Exercise and Mental Health; The Role of Play in Children's Learning; Mental Health; Working with Teaching Assistants; Active Questioning; Understanding Autism and Lesson Design.

My personal skills and qualities:

I am a highly organised and punctual person who has worked in a range of different environments with various groups and individuals. Working in schools alongside having a waitressing job has encouraged me to manage my time well and adapt to meet necessary deadlines. I am always eager to learn and advance my skills in order to improve myself and help others around me. My time at University has allowed me to work on not only my teamwork, but my individual learning and researching skills. As Course Representative I am responsible for communicating and presenting the opinions and suggestions of my peers to Senior Leaders.

My other interests and hobbies:

I enjoy keeping physically fit and active by regularly going on walks and doing yoga. I have recently tried more challenging walks in Northumberland and the Lake District to try and push myself and set myself new targets. I have always enjoyed travelling to different countries and experiencing new things. This interest led me to try skiing, which allowed me to enjoy a new sport while experiencing a different culture. Travelling to other countries and trying different foods has increased my interest in cooking and trying new recipes at home.

Preferred location:
