My personal skills and qualities:

At the end of my time at Prudhoe Community High School I was awarded the Sports Personality of the Year Award for my contributions to the PE department; through assisting in lessons, leading extra-curricular clubs and encouraging girls to participate in sport outside of school. I am a positive and enthusiastic individual who can build rapport with students very quickly which has shown to be one of my main strengths whilst on placement. I have also shown that I can be adaptable and I am very hard working and work well with others. I wish to pass on my love of sport to young people to ensure they are increasing in confidence, self-esteem, lead healthy active lifestyles and achieve success, not only in PE but across all school subjects.

My other interests and hobbies:

As an individual with a passion for sport I spend a lot of my time coaching or playing. I am currently a coach for Northumberland County Cricket Board and work with the U13 team promoting women's and girls' cricket and creating the next generation of England cricketers. Last year I also completed the Macmillan Mighty Hike where I walked 28 miles in one day across Northumberland raising £6,000 for Macmillan Cancer Support; a charity that is close to my heart. As well as coaching and playing sports, I love watching my brother play football for Hull City U18 Academy. I have supported him since he joined the academy and my knowledge and passion for football has increased. Other than sport I love walking my toy labradoodle Nelson, who has recently joined the family and loves causing lots of trouble!
