## My personal skills and qualities:

I pride myself on being punctual, enthusiastic and dependable no matter what the situation. Through my academic and professional experiences, I have developed strong subject knowledge across the curriculum. I believe during my time in placement schools I have built strong professional relationships with both staff and students. I consistently reflect on my own teaching practice and listen to feedback from others which allows myself to continually develop and improve as a teacher. Creating routine within my lessons is a consistent strong feature of my teaching, this minimises behaviour issues and allows for a positive, stimulating learning environment. Feedback from mentors identifies me a strong role model for the students I teach, this is something I am extremely proud of and look to continue to excel in.

## My other interests and hobbies:

I am a very competitive individual that strives for the best in all walks of life. I play football for Alnwick Town Football Club during the winter months and Cricket for Alnmouth and Lesbury Cricket Club during the summer months. Besides sport, I enjoy travelling and food. With parents that live in Bangkok I have been fortunate to enjoy experiencing Thai culture and my favourite Thai meal, Pad Thai. Free time is usually taken up by socialising with friends or in the kitchen experimenting with new foods. 'The Geordie Jamie Oliver' is a name I have been referred to in the past by friends and colleagues.

## Preferred location:

Midlands, West Midlands, London
