I have experience teaching and marking A-Level PE, gaining a triple D* in BTEC PE, as well as achieving an A* in GCSE PE. My deep-rooted passion for Physical Education provides an enthusiastic approach to teaching which improves student engagement. A natural ability to develop and maintain strong rapport allows me to get the best from students and peers. Effective behaviour management strategies. Logical approach to lesson planning and organisation with the ability to adapt to changes.

My personal skills and qualities:

I am a reliable, trustworthy, and determined individual, able to work well under my own initiative or as part of a team. I have always had a great passion for sport, both in playing and in the observation of others. Each year as my knowledge increases in the coaching and education industry, I find it very rewarding being able to apply my knowledge both theoretically and practically to the players, which I work with in my current environment, which is the Sunderland Ladies AFC side. I believe that to achieve anything in life, it is important to set realistic goals. When a goal is set, an individual maintains motivation, which breeds confidence to succeed. I have set my next goal, to continue my professional development within education and would like to become recognised and respected for my work in Secondary Physical Education. I am highly motivated and confident in my ability to achieve this.

My other interests and hobbies:

Apart from football being an important part of my everyday life, I have a very active and outgoing personality and thoroughly enjoy being around people. My interests are mainly centred around socialising, whether it be meeting up with people to go on hikes, sightseeing, cycling, skiing, camping or any other fun or thrill seeking activities!

Preferred location:

North East, Teesside area preferred.
