**My personal skills and qualities:**

I strongly believe my punctuality, organisation and adaptability strengthens my teaching. I am conscientious and self-assured. I am resilient and take advantage of every opportunity and challenge I am faced with to ensure I continue to learn, reflect and adapt to be the best teacher I can be. I represented Sheffield Hallam at the 2019 Lima Pan American Games which hugely developed my ability to forward plan, manage others and support others all at once. I was elected as course representative in my first year at university making me the voice of students amongst the faculty staff and I was promoted to department representative to represent students amongst the higher tier staff at university, highlighting the trust and respect my peers had for me.

**My other interests and hobbies:**

I love the outdoors and OAA is my key strength. I have gained a variety of teaching skills from my experiences in this area, but I do enjoy spending time hiking and exploring new areas. Kayaking is also a passion that was ignited by my involvement in the Duke of Edinburgh Gold Award. I love cooking and experimenting with baking; however, my map reading skills outshine my cake decorating skills. I also enjoy swimming and love nothing more than an early morning swim to set me up for the day.
