My personal skills and qualities:

I am hugely passionate about the power of physical education and sport. I am an active, eager and realistic individual who never accepts failure and will consistently work to the best of my abilities. I am friendly, kind and good natured and can confidently communicate with a mixture of personalities and abilities with a well-spoken, pleasant and polite manner. I am an organised, responsible and adaptable individual. I demonstrate and value strong teamwork, cooperation with others, self-motivation and the ability to express ideas confidently.

My other interests and hobbies:

I love to take part in any form of physical activity but have a particular passion for fitness and weights alongside my main sports of swimming and netball. I enjoy pushing myself beyond the limits and seeing what I am capable of as it provides such an invigorating sensation when a particular goal or aim is achieved. Outside of sport I have a part-time job with a theatre company "Razzamatatz Durham" where I teach children acting, singing and dancing.
