My personal skills and qualities:

In 2016, I was named Durham Leadership Programme's Volunteer of the Year after completing over 200 hours of coaching sport and volunteering at local charities. My commitment to working with children has been a constant throughout my life, and the experience I have gained over the years informs my teaching to this day. Working with severely disabled children was both challenging and inspiring which helped improve my skills to adapt practice and support all pupils. I am passionate about the value of extracurricular activities and will use this as a way to enthuse and develop lifelong participation for pupils.

My other interests and hobbies:

I intend to use my own experience as an elite cricket player and active community-minded citizen to inspire students to aim for success at all participation levels. In 2015, I had the fantastic opportunity of travelling to India as part of Durham County's Ladies 1st Team. As well as achieving both Bronze and Silver Duke of Edinburgh Awards. I have recently completed the Three Peaks 24-hour Challenge and have taken part in a World Challenge trip to India, both for charity. I believe physical education requires a comprehensive approach, and I am keen to share my passion with students both in lessons and extracurricular clubs. I participated in football and futsal at university and was a member of the golf academy at my sixth form. My other interests include playing guitar and cooking and I am also a young leader and facilitator at my local Rainbows, Brownies and Guides groups.

Preferred location:

North East & North Yorkshire
