| The strengths I have within my teaching: | | | | | |
| Sporting Strengths | | NGB/Other Coaching Awards | | Teaching Strengths | |
| <p>My sporting background involves a broad range of sports which allows me to be well rounded in my teaching and subject knowledge:</p> <ul style="list-style-type: none"> I have competed in swimming for 8 years at a regional level in the past and I still swim recreationally. I have competed at a school level in trampolining, netball, athletics, swimming and cross country. I have competed at a national level in my main sport of equestrianism. I have had significant experience teaching handball, trampolining, fitness and badminton. At a participation level I have a current interest in playing tennis, going to the gym and paddle boarding, alongside equestrian and swimming activities. | | <ul style="list-style-type: none"> British Horse Society (BHS) Stage 1 and 2 Care, Ride, Lunge and Teach Boccia Silver Award Sports Leaders Level 1 British Gymnastics Level 1 and 2 Teachers Trampoline Award Mental Health Awareness course Youth Mental Health First Aid First Aid at Work Safeguarding Level 1 Kinball Level 1 Ultimate Frisbee Introduction to Teaching Handball Award ECB Secondary Teachers Chance to Shine FA Secondary Teachers Award | | <ul style="list-style-type: none"> I have taught holiday clubs to students in primary school which has helped me to understand the transition from primary to the secondary PE curriculum. Since I was 18 I have taught horse riding as a way of therapy for those who are disabled. Within this time I worked with those who had ADHD, Autism, SEMH, visually impaired, amputees and those with cerebral palsy. I get real enjoyment from planning inclusive lessons and seeing individual progression over time. I have strong behaviour management skills, which allows a good pace to theory lessons and other subjects that I have taught such as RE and science. My organisational skills are excellent which shows in my teaching through strong subject knowledge and well planned lessons | |
| My personal skills and qualities: | | | | | |
| <p>I am a self motivated, reliable and hard working person. I enjoy being challenged to gain more experience and to push myself further. I am an effective communicator and a good listener which benefited me when working with children in an alternative educational provision. I have a true love of learning which has a positive effect on my students and that passion shows through my adaptable teaching. I am a critical thinker and embrace any corrections to better my teaching and to progress further in my teaching career.</p> | | | | | |
| My other interests and hobbies: | | | | | |
| <p>I still have a keen interest in horse riding and I now compete at a lower level with my three horses. I enjoy being outdoors as much as possible and tend to go out on long hikes with my three spaniels. I have recently taken up paddle boarding which I usually do in the Lake District in my spare time. I enjoy developing my coaching skills through teaching horse riding to those with their own horses through my own freelance coaching business. I am always eager to learn any new sports or skills which help me to become a more well rounded PE teacher.</p> | | | | | |
| Preferred location: | | Tyneside, Gateshead, Sunderland, Durham, North Teesside | | | |
