Strong behaviour management skills and build purposeful relationships that allow a respectful working environment. Experience of teaching GCSE and A Level PE Experience of adapting practice to meet the needs of all learners both practically and in the classroom. I plan and use mini plenaries and student voice to check learning and reshape lessons where needed. Strong professional behaviours with a commitment to the wider life of the school. Excellent questioning skills to probe for answers and ensure deep learning occurs. 	
My personal skills and qualities:					
<p>I have an ever-growing passion for sport and physical activity and through this I am able to design engaging and fun lessons that challenge students but allows success to take place through learning and enjoyment. I have been able to build strong relationships with the students I have worked with through having a strong classroom presence which has been helped through my effective use of behaviour management techniques. I ensure consistent routines for students, where expectations of the lesson begin from the moment they enter the classroom/changing rooms and use praise to acknowledge effort and achievement.</p>					
My other interests and hobbies:					
<p>I am extremely passionate about sport and I continue this into my personal life where I currently coach at York City Ladies Football Club. I like to watch live sport and regularly attend home matches of both Scarborough Athletic FC and Middlesbrough FC when time allows. I also enjoy taking my two dogs Benji and Freddie for long walks down the country lanes around my home in Malton. I enjoy travelling and have recently visited countries such as Thailand, Vietnam and Cambodia.</p>
